

Student: Illya Cherepanov | [REDACTED] | Start: 29.09.2025

100%

The soft-skills evaluation is based on collaboration and peer feedback, with the student receiving input from **26 fellow students** during the program. It reflects teamwork, discipline, and critical thinking demonstrated in collaborative projects.

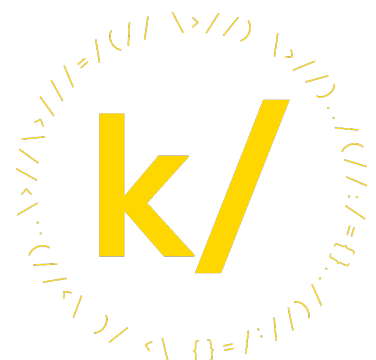

Skill	Grade
Teamwork	100%
Collaborates effectively across teams, recognised as a supportive and communicative contributor.	
Critical thinking	100%
Consistently offers valuable feedback and innovative solutions.	
Discipline	100%
Demonstrates reliable time management and project ownership.
